Armstrong Custom Homes

Let Armstrong build your Custom Turnkey Home

Armstrong will build your custom home and hand you the keys! Our professionals will take charge of your entire building project, from permits to move-in. We have been building custom homes since the 1950's, so you know you are in good hands.

Armstrong builds your custom home from our [stock floorplans](#), or your own custom plan. With our [drafting department](#), we can even help you design your dream home. From mansions to cabins, and anything in-between, Armstrong can build it!

Armstrong is unmatched in speed & efficiency in the custom home market. Our off-site [panelized wall construction](#) ensures your new home will be built in a timely manner, Also, your new home

will be dried in much quicker than a typical on-site stick built home, ensuring less outside elements get into your home making it safer and healthier for you and
