MARCH 2010

## Why Build With Armstrong Homes?

### Armstrong is a One-of-a-Kind Company!

The homebuilding experience involves hundreds of decisions. You want to work with a company like Armstrong that has **assisted thousands of homebuilders** like yourself through this intricate process and made it enjoyable!

Building with Armstrong gives you the unique experience of **one stop shopping**. Not many homebuilders have their own wall panel and truss shops. Add in a Millwork & Door shop and our own Design Department and you have a **One-of-a-Kind Homebuilder!** What does this mean for you? It means we have **quality control** over most of your home, and you have peace of mind knowing your home is being built with quality. We warrant our own structural

components, not a company that may or may not be in business down the road. Our website includes many tools to help you see the **quality and commit-**

**From start to finish, Armstrong Homes with work with you to build the home you have always wanted!**

**ment** of our company. We have videos for owner builders and turnkey clients. We have an online brochure that details all

aspects of our company, We also have stock floor plans you can build or modify, or bring us your own plan and we can build it!

Don't just build a house, design & **build the home you have always wanted with Armstrong**. We have 5 offices conveniently located to assist you, and can ship our product world-wide. Contact us via the web, or email me at:
